

PLYMSTOCK SCHOOL

Clubs and Activities

2016 - 2017

September 2016

Dear Student

We have put together a wide and varied selection of clubs and activities for you again this year. Try to get involved in at least one.

As well as being enjoyable, taking part in a club or activity is helpful in developing your abilities and skills, as well as being a place where you can make new friends. It can also be useful as evidence of your extra-curricular activities and will make your CV more attractive to employers.

Please read through the choices carefully. Note when they are running and where. Contact the teachers that are running the clubs if you want any more information.

Also, check out the Student Notice Board (by Sc10) and the Student Bulletin for more clubs information during the year.

Lunchtime clubs run throughout lunchtime. After-school clubs run from 3 - 4pm unless the club description states something different.

Mrs T Wilkins

MONDAY
