Dear Parents and Carers

Easter Break – School opening for Year 11

As the examination season looms ever closer, I am writing to let you know of a strategy that we are planning to put in place over the Easter break to assist Year 11 students with their revision.

It is essential that students get into the habit of studying and revising for their examinations on a regular basis. I am also aware that some students find it difficult to revise at home with the distractions that our multi-media society brings! To this effect I am pleased to inform you that the ECO block at Plymstock School will be open from Monday to Thursday of each week of the Easter break for Year 11 students to undertake individual supervised study for their examinations. A member of the Senior Leadership Team will be present each day and will oversee the area.

Sessions will run from 9.00am until 1pm. Resources such as paper and other stationery items will be available in the classrooms, but students must bring their own resources for the subjects that they wish to study. There will be a computer room available for students to use. Students can arrive at any time during the morning, but will be required to sign in and out. Students are not required to wear uniform and should bring food and drink as there will be no possibility of buying food at school.

The aim of these sessions is to give students the opportunity to take responsibility for their own learning and revision in preparation for their forthcoming GCSEs. A few departments will be running revision sessions or controlled assessment completion sessions, and I will send you details of these next week.

If you would like your son/daughter to come into school for these revision sessions, please return the completed consent form to their tutor by Friday, 31 March.

If you require any further information, then please do not hesitate to contact me.

Yours sincerely

L Duff (Mrs)
