

Bikeability goes from strength to strength

Students in Year 7 have been involved in Bikeability Level 2 and 3 training and over 50 students have now completed the course.

Students say that they now feel empowered to ride on the roads safely and have planned their routes to and from school.

Any students in years 7-9 who have not yet completed Level 2 or 3 and who would like to be involved in this very worthwhile course please contact Mrs Honeywill as soon as possible-it's FREE!
