

# International Inspiration Vision

To transform the lives of millions of children and young people of all abilities, in schools and communities across the world, through the power of high quality and inclusive physical education, sport and play

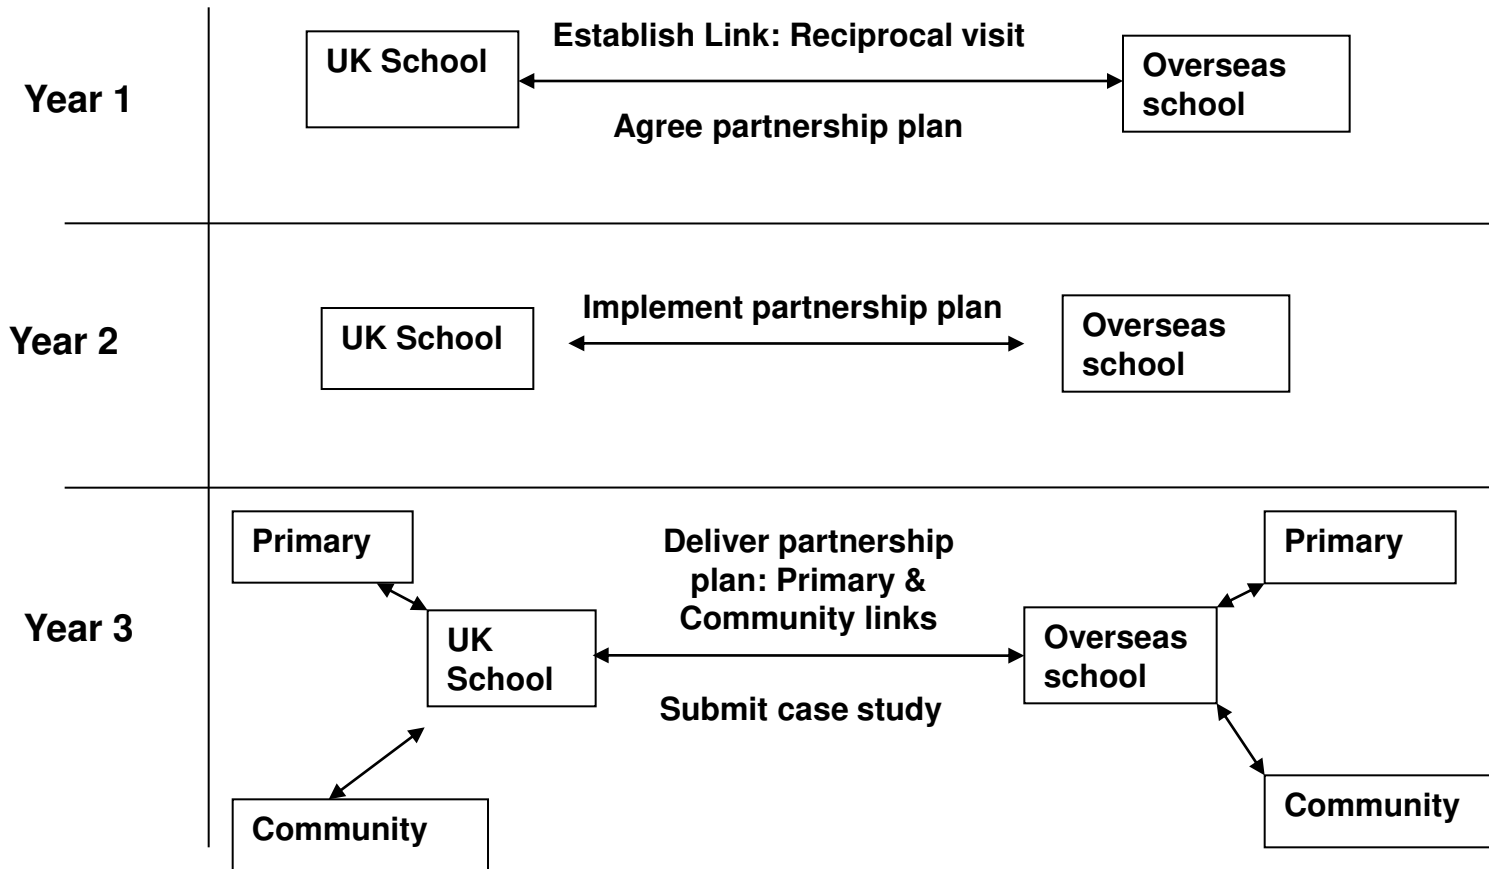

# International Inspiration international school partnerships

- International school partnerships are at the heart of International Inspiration
- 20 countries, 600 schools
- Aims:
  - Share good practice and take an innovative approach in the use of Physical Education, sport and play
  - Benefit children, young people and the wider community
  - Work together to enhance the educational experience of young people using PE and sport as the vehicle

# School partnership model and timeline

# Expected outcomes for the visit

- To build a relationship with your partner school
- To begin discussions on what areas you could develop together and detail in your partnership plan
- To begin to share good practice
- To swap contact details and agree a communication plan
- To report your findings back to senior management, staff and students when you return to the UK
