

## KS1 Multi Skills Festival

Year 8 students have been involved in a Leadership programme as part of their Life Education Programme. Many students have displayed excellent leadership skills and have chosen to further develop these skills by volunteering to assist with Primary School Festivals and Sports Clubs.

On Wednesday 10 October Year 8 students led a KS 1 Multi Skills Festival for over 90 children from our partner primary schools. The students were excellent role models for the younger children and visiting teachers complimented them on their outstanding behaviour, positive attitude and their ability to organise and encourage groups of younger children.

All children, student leaders and staff enjoyed the festival. Congratulations to Pomphlett Primary School who were overall winners.
