

## Plymstock School Leaders share Olympic Values with Primary Schools

Children from Wembury, Oreston, Pomphlett, Elburton and Goosewell Primary Schools attended a Net /Wall Festival at Plymstock School recently. Children in Year 3 and 4 took part in a variety of activities to help them develop their Net and Wall games skills. The festival focused on the Olympic Values of Friendship, Respect, Excellence, Determination, Inspiration, Courage and Equality. They were mixed into different teams and represented an Olympic Country. This was a great opportunity for them to meet and work with children from other schools and make new friendships.

The festival was led by leaders from Plymstock School who have been involved in a leadership programme as part of their Life Education lessons.

Primary School teachers complimented the young leaders on their excellent communication skills and their manner with the children. They were excellent role models.

A visiting grandparent said how impressed he was with the wonderful opportunities available for the children.
