

## **Plymstock Year 7 students coached by Drew Lasker of Plymouth Raiders**

Students from Plymstock were treated to a free basketball coaching session by Raiders player Drew Lasker as part of the new Kidscape Anti-Bullying Programme that the school has been involved in.

Raiders players have been trained by National Kidscape tutors to deliver anti-bullying programmes in schools. Plymstock students are now active Kidscape leaders who run a drop in clinic every week for students.

The free basketball session helped to raise awareness of the programme and to encourage young people to say NO to bullying.
