

# Rowing Competition at Wood View Learning Community

On the 21<sup>st</sup> March and Mr Luscombe arranged for students from Plymstock School Communications and Learning Support departments to attend the rowing competition at Wood View.

The competition was between different schools, different year groups and different abilities.

Little did we know that we would “sweep the board” and arrive back at Plymstock School with six medals for winning different heats and one medal for excellent sportsmanship.

As well as the medals we were given a box of Jaffa Cakes which we enjoyed eating on the way back on the bus!!!
