

Young Leaders Inspire in local Primary Schools

Young leaders from Plymstock School continue to inspire children in local primary schools. Following on from Leadership training that has taken place in curriculum time students have been keen to give up their time to run book clubs and creative clubs for younger children.

Wembury Primary School fully embraced this offer and our leaders ran a six week programme for them. This is what the Wembury children had to say....

“I love it, it’s fun”

“Can you come back next term?”

The Head Teacher said the students were amazing and that she would very much like the programme to be repeated next year.

Well done to all students who have been involved in the project.
