

Young Referees prepare for their first game following their Leadership course

Congratulations to Toby Fisher, Alex Jones, Jacob Kent, Fletcher Williams, Adam O'Brien who refereed their first games as qualified referees following their Mini Whistlers course held during leadership week. The boys did a fantastic job and were excellent role models for the younger children from our partner primary schools.

Visiting teachers said ...'the boys did an excellent job –keen, polite and refereed well. We will definitely be using them again'
