

## Leaders Shine at City Wide Festival

Congratulations to Dylan Reeve, Dylan Pollard and Jack Such who were selected to official and lead at the Citywide Tag Rugby Festival held at Marjons on Wednesday 22 May 2013.

Hundreds of children from across the city attended the annual Championships and Plymstock students led by example. The boys had a busy day starting at 8am by helping to set up the playing areas. They worked closely with staff from the Plymouth School Sports Partnership and members of the local police force who were there to support the event.

The boys were well organised and were excellent ambassadors for the school.
