

September 2018

Dear Parents and Carers

During the course of the school year, we may sometimes wish to take photographs or video recordings of students within school or on school trips

This is usually...

- to celebrate student success/achievement (as in the Headteacher's Blog),
- for our own internal records,
- for use as part of our curriculum,
- for inclusion in our promotional material such as the school prospectus, school marketing materials and our website.

The school may invite an external photographer to the school each year (Tempest) to take official school photographs and the school may also invite the media in to take photographs for publication.

To comply with the Data Protection Act 1998 and the new General Data Protection Regulation (May 2018), we need to ask your consent before the school or the media record any images of your child. **In view of this, please can you complete the slip below and return it to school within the next 10 days?**
