Westcountry Schools Trust (WeST)

1. Introduction

Westcountry Schools' Trust recognises and values the contribution of each member of staff to the education of the children in the school.

High levels of absence among teaching and support staff pose a serious problem for a school in terms of disruption to teaching programmes, pupils' learning and other areas of the school's work. Absence of any staff employed in schools during term time means some impact on the children's education. Therefore, requests from any member of staff for absence to be taken during term time must be regarded by all as the exception. Requests for leave of absence for the purpose of taking holidays and/or contributing to holidays will not be granted.

This policy gives details of entitlements of members of staff in relation to absence. The number of days entitlement given in the table below are days per occasion of absence.

This policy provides information regarding the entitlements of staff to annual leave and to leave of absence, both paid and unpaid.

- This procedure applies to all school employees.
- All specific time off provisions (in days) detailed in this document will be provided on a pro-rata basis for part-time/job-share employees.
- 'Close relatives' or 'immediate family' are normally defined as husband/wife, civil partner, partner, children, parents, grandparents, sister/brother, parents-in-law or nominated next of kin. This also includes step children, foster and adopted children/parents.
- Definition of dependant: a dependant is the partner, child or parent of the employee, or someone who lives as part of their family. For example this could be a grandparent. It does not include tenants or boarders living in the family home or someone who lives in the household as an employee.
- This policy does not cover maternity/adoption leave or time off for IVF and fertility treatment.
- All staff will be required to follow the school/college's procedures for requesting leave of absence and for reporting absence.
- Authorised paid and unpaid leave of absence from work for the reasons in this policy requires prior approval.

The Managing Sickness Absence Policy assists managers in taking action to arrange any appropriate support that may prevent maximum attendance of staff. This Staff Leave and Absence Policy will therefore be used in conjunction with the Managing Sickness Absence Policy if the amount of absence taken under this Staff Leave and Absence Policy is not considered reasonable.

2. Seeking Approval for Leave from Work

All staff will be required to follow **Westcountry Schools' Trust** procedures for requesting leave of absence (other than Holiday for Staff on 52 weeks) and for reporting absence.

Definition for this Policy:

In this policy the Line Manager refers to the direct reporting line manager for the member of staff. In the majority of cases this would be the Principal/Headteacher.

Authorised paid and unpaid absence from work for the reasons given in this policy requires prior approval unless in exceptional circumstances where this has not been possible.

Requests for paid or unpaid leave must be made to the member of staff's Line Manager (using the local procedures in place) for initial approval. Once approved, the request will be forward to Human Resources for final approval. If a request is not approved, you will

Westcountry Schools Trust (WeST)

be notified.

The request should be made as soon as it is known that it will be required, and in any case not less than one full week in advance of the proposed absence, except in exceptional circumstances such as the death or sudden illness of a family member.

The Line Manager is initially approving the time away from the employee's duties and ensuring there is sufficient cover in place.

Human Resources determine if the request is unpaid or paid in line with this policy.

The Trustees have given delegated authority to the Principal/Headteacher to approve leave absence requests up to 10 days. For longer periods of leave of absence the Principal/Headteacher must discuss each case with the CEO and seek approval from the Trustees.

Requests for leave of absence will be considered taking into account

- the principles of this policy,
- the best interests of the pupils and the school,
- treating staff in a fair, reasonable and consistent way,
- national and local terms and conditions of employment.

3. Staff contracted on 52 weeks

Those staff who are contracted to work year round should ideally take their annual leave during school closure. Annual leave granted during term time will be at the discretion of their Line Manager.

4. Dental and medical appointments

It is expected that dental and medical appointments will be made out of school hours wherever possible. It is recognised that in some circumstance, such as an appointment being expected from a hospital, that this may not always be possible. However, appointments in work time should be kept to a minimum and cause as little disruption as possible.

In any event, prior approval to attend an appointment during school hours will need to be sought and agreed. Time off to attend dental and medical appointments will be treated as unpaid, if the member of staff is unable to work the time back.

5. Emergencies involving dependants

All employees have the right to take a reasonable period of unpaid time off during working hours to deal with an emergency involving a dependant. A dependant is defined as the partner, child or parent of the employee, or someone who lives as part of their family. For example this could be a grandparent. It does not include tenants or boarders living in the family home or someone who lives in the household as an employee. In the case of illness, injury or where care arrangements break down, a dependant may also be someone who reasonably relies on the employee for assistance. This may be where the employee is the primary carer or is the only person who can help in an emergency.

6. Parental Leave

Employees with a child (including adopted children) up to the age of eighteen years and with at least one year of continuous service with the Westcountry Schools' Trust are entitled to parental leave.

Westcountry Schools Trust (WeST)

Parental leave is only available for the purpose of caring for a child, for whom the employee has parental responsibility. A child is a person under the age of 18.

Parental leave is unpaid and the maximum entitlement is 18 weeks leave (pro rata for part-time staff) for each child, in total. Parental leave should be taken in blocks of a week or multiples of a week, and should not be taken as "odd" days off, unless the employer agrees otherwise or the child is disabled. Employees cannot take off more than four weeks during a year per child. A week is based on an employees working pattern.

The employee must give at least 21 days written notice of the period during which parental leave is requested.

If a father wishes to take parental leave following the birth of a child (in addition to paternity leave), he is required to give at least 21 days' notice to his employer, stating the expected week of commencement of the parental leave and the duration of that leave.

In the case of adoption, a parent must give at least 21 days notice stating the week in which he/she expects to adopt the child. The duration of the leave must also be stated.

Prior to approving the first request for parental leave the school will need to see the birth certificate, adoption paper or proof of disability living allowance.

The Line Manager is able to require an employee to postpone his/her parental leave for up to six months, where the school cannot accommodate this request. Notice of postponement will be given no more than seven days after the request and will state the reasons for postponing the parental leave and when it can be taken. The leave must be granted for the same period as the original request and will begin on a date determined by the Line Manager, after consultation with the member of staff and be not more than six months after the date originally requested.

Parental leave cannot be postponed when the member of staff gives notice of parental leave to be taken immediately after the birth of their child or at the time of adoption.

The school will accurately record when an employee takes Parental Leave as new employers may seek a declaration of how much Parental Leave has been taken.

7. Other types of leave

Requests for other types of leave will be managed in accordance with the information in the table on the following pages.
