

30 September 2019

Dear Parent / Carer

Thank you to those parents who attended the Year 10 Parents' Information Evening last Thursday. We had almost 300 people in the hall; I felt the evening was incredibly positive and I thank you for your time. Any feedback would be greatly appreciated, so we can make these evenings even better! The information booklet and all documentation will be uploaded onto our website for those parents who could not make the evening.

A lot of information was discussed on Thursday evening, so please feel free to contact us at school if you need any further information or help. Please refer back to the booklet, especially on the ways of revising effectively. When your son/daughter is revising, a successful session is one where a solid amount of work gets done. Unfortunately, to facilitate this they will need a variety of books, stationery and equipment. Please can you make sure they have all the basic equipment such as pens, pencils, ruler, a protractor, a compass, calculator, A4 writing pads, and a clear pencil case for exams. Other things which are useful to buy include record cards, highlighters, coloured pens/pencils, folder dividers and sticky notes if you haven't already bought them.

At the end of last term I sent home a parent information booklet entitled 'Year 9 into Year 10 Transition'. Each curriculum area has specified which revision guide/book will be helpful for their course. You will find this information in the 'Supportive Resources' section. I highly recommend getting as many of these books now as this will start supporting the revision process. This booklet is also accessible on the website.

Thank you again for your continued support. If you require any further information, please do not hesitate to contact me at school.

Yours sincerely

M A Taylor
ASSISTANT HEADTEACHER
DIRECTOR OF LEARNING YEARS 10 & 11
