

24 April 2020

New Year 7 Welcome

Dear Parents and Carers

Please don't think we have forgotten about our Year 6 students who have been allocated a place at Plymstock School from September 2020, we haven't.

When we know more, we will let you know how and when and under what conditions we will be able to welcome your child for their induction to Plymstock School.

We are all excited about meeting them and a whole team of staff are busy contacting primary schools to learn all about your child.

Our Year 7 transition team are:

- Mrs Kirk, Head of Year 7
- Mr Chivers, Assistant Head of Year 7
- Mrs Summers, SENCO
- Mrs Fenwick, Assistant SENCO

Mrs Kirk, Head of Year 7, is currently contacting primary schools and will very shortly be sending out more information by way of introduction.

Please keep an eye on the Plymstock School website news feed using this link: <https://plymstockschool.org.uk/news/> and our Twitter account @PlymstockS. We will post updates on these as well as direct communication with you as and when further information is known.

Thank you for continued support and understanding during these unprecedented times.

Please take care, stay safe and well

Best wishes

Mr Pearsall

HEADTEACHER

A message from Mrs Kirk

“We welcome the Year 7 2020 Plymstock students and look forward to seeing you all in the near future.

We hope you are all keeping safe at home.

Please use this time to not only keep on top of your studies, but also, as importantly, make memories with your family.

You should have received your welcome pack of information at the beginning of March and I will be in touch again with more information very soon.”

Best wishes

Mrs Kirk

HEAD OF YEAR 7
