Dear Parents,

I hope you have had a nice Summer break.

We are very much looking forward to welcoming our new Year 7's on Monday 7 September from 8.30. Students should arrive via the front School Gate by the reception. Unfortunately parents will not be allowed onto the school site and should arrange a safe drop off and collection point outside of school. On the first day there will only be Year 7 and Year 12 students on the school site, it will therefore be much quieter on arrival and departure.

Students will be escorted to their meeting place. They will find out their respective tutor group on the 7 September, their first school day.

The day is an induction to the school and will be spent with their new tutor. They will also have a school photo on this day. It will not be necessary to bring their school PE kit.

I will send another message out next week with final details to ensure a comprehensive understanding for parents and students alike.

We look forward to meeting your children very soon.

Kind regards,

Mrs Kirk  
Head of Year 7.
