

Year 11 internal examinations: Autumn 2020 Catch-ups

Catch up sessions will be provided in the week beginning Monday 7 December.

Each session has a priority order. For example, in the Maths catch-up session, students should sit any Maths paper they have missed. If they have missed more than 1, they will take the first on the priority order list.

Students who have more papers to do than can be fitted into these sessions or any subjects which are not named below, will have seen Mrs Wright in her office on either Thursday 3 December or Friday 4 December, for her to organise a catch-up slot for those papers.

The MFL listening catch-ups will be one afternoon in the catch-up week, date yet to be confirmed.

Year 11 internal examinations: Autumn 2020 Catch-ups			
	Day & date	8:45am (go to reg then to the tented Sports Hall)	11:30 (go straight to the tented Sports Hall)
