

4 December 2020

Dear Parent/Carer

Mock examination catch-ups

Thank you again for your continued support during the last two weeks of examinations. For those of you whose son/daughter has another week of examinations, or specific catch-ups, the end is in sight. Overall, the students have been fantastic, and all the invigilators have commented on them being the best group of students ever to sit their examinations in terms of their conduct, maturity and professionalism. Without your valuable input at home, this examination period would have been even more challenging and daunting, and I believe a firm foundation has been laid for positive outcomes in the summer of 2021. I have attached the revised catch-up programme for those students who have to sit some examinations next week.

As I type this message to you, staff will start the long process of marking scripts. Feedback will be given once all students have completed the examination paper(s) in that particular curriculum area. The actual grades will not be discussed by the class teacher, as these will all be released on our examination results day on Wednesday 13 January.

To plan the next steps we will be having a **Year 11 Virtual Parents' Evening** on **Wednesday 20 January** (a Plymstock first for this year group). I cannot stress how important this evening will be and I will be sending more information about this closer to the time.

Many thanks to those parents who have given me feedback on how things have gone or what they would like to see. This will help with any future planning. Any feedback concerning what we are doing at school for Year 11 is always greatly appreciated.

If you require any further information, please do not hesitate to contact your son/daughter's classroom teacher, Head of Year or myself.

Yours sincerely

M A Taylor
ASSISTANT HEADTEACHER
DIRECTOR OF LEARNING YEARS 10 & 11
