13 January 2021

Dear Parents/Carers

Plymstock School Post 16 Options

Every year in January, students in year 11 undertake their Post 16 options. This year will be slightly different to previous years due to, the current restrictions in place because of COVID-19, with students undertaking the process remotely.

I wanted to write to you to give you a little more information regarding the process and the timeline of the options process.

- Students receive their mock results and latest progress check on **Wednesday 13 January 2021**.
- A Year 11 assembly will take place on **Monday 18 January 2021** (starting at 3pm for approximately 30 minutes) via MS Teams to all Year 11 students. This assembly will be recorded so students can access it at a later date should they require it, and also for you to access.
- Year 11 Parents Evening (virtual) **Wednesday 20 January 2021**.
- Sixth Form options presentation and subject information will all be available on the Sixth Form page of the school website (<https://plymstockschool.org.uk/sixth-form/>) from Monday 18 January 2021. Link for the online Post 16 application form will be available from this time too.
- The deadline for submission of the Post 16 Options Form (to be completed online) is **Wednesday 24 February 2021**.

Once students have selected their Post 16 options, we will check that suitable choices have been made and discuss with students as appropriate.

The Plymstock School Sixth Form prospectus and course guide are available now in the sixth form area of the school website. Students have also been added to a Team on MS Teams called 'Year 11 – Post 16 Options' where the assembly will take place and other information will be posted.
