

June 2021

Dear Parent/Carer

RE: Year 6 Virtual Parent Information Evenings

I hope this letter finds you well. Following on from the correspondence that you would have received last week from our CEO and headteacher regarding the disappointing news that we would not be able to go ahead with our plans for our Year 6 induction days, I am writing to you once again to share with you some information where you are being invited to join our Year 6 Virtual Parent Information Evening.

I can confirm that we will be hosting two virtual parent information evenings, where you will have the opportunity to hear from key staff about life at Plymstock School and what to expect when your child starts with us in September. There will also be an opportunity for parent/carers questions to be answered.

We have organised the two events as detailed below:

Tuesday 6 July 2021 5.30pm-6.15pm MS Teams

Elburton, Goosewell, Hooe and Prince Rock

Thursday 8 July 2021 5.30pm-6.15pm MS Teams

Austin Farm, Carbeile, Compton, Dunstone, Fletewood, High View, Holy Cross, Hyde Park, Laira Green, Leigham, Manadon Vale, Millbay, Mount Street, Old Priory, Oreston, Pilgrim, Pomphlett, Salisbury Road, Sherford Vale, South Brent, St Andrews, St Marys, St Matthews, Wembury, Weston Mill, Widey Court and Yealmpton,

You will be sent a link to the meeting via the email address that was provided to the school. You should be in receipt of this link 48 hours prior to the date. The presentation will be held on MS Teams.

There has been a really positive number of expressions of interest for places at our summer school which is being held **Monday 26 July to Friday 30 July (week 1) and Monday 2 August to Friday 6 August (week 2)**.

We will be confirming the programme and guidance on how to sign up very soon but in the meantime, we continue to welcome expressions of interest from any parent/carers who is considering signing up their child for the programme. Please email summerschool@plymstockschool.org.uk.

Finally, I encourage you to visit our school website, where you will find additional information about our school. If you have any queries or concerns, please contact the school and we will endeavour to help you.

I really look forward to having the opportunity to speak to you all during the information evenings.

Kind regards

Mr A Yendell
Deputy Headteacher
