Dear Parent/Carer

## YEAR 7 CAMP 13-17 September 2021

As part of Plymstock School's induction programme we would like to offer your son/daughter the opportunity to participate in a Year 7 residential experience. The camp will be held during the first few weeks of your child's time at Plymstock School and will run over two days and one night. The day your child will go is dependent upon which tutor group they are allocated. They will receive this information on their first day of school.

Our aim for the residential is to give each student that joins Plymstock the best possible start to our School. Your child will be supported by their Tutor, Mrs Kirk and Mr Chivers, Head of Year and Assistant Head of Year as well as dedicated team of staff and sixth Form students. We aim to develop qualities such as co-operation, trust and teamwork, to help students to get to know each other and provide an introduction to learning at Plymstock School. We feel sure that all students and staff will gain a great deal from living and working together with their new classmates and teachers.

The camp will be on the school site, where we will have access to a number of facilities including a marquee for outdoor lessons. During the camp, your son/daughter will have a chance to participate in Team Building Activities, Soft Archery, Forest Schools, Bush Craft, Group Games, Circus Skills, Craft Activities and Fun Sports. Accommodation will be in tents with other members of their tutor group.

The cost of the camp is £20.00, this includes accommodation, Plymstock water bottle, all meals (with the exception of packed tea on day 1), activities, insurance and equipment.

If you wish your son/daughter to be considered for the Year 7 camp, you should complete the **Parental Consent form (in a separate email)** by Thursday 9 September. The payment will need to be made via ParentPay for £20.00 which is non-refundable also by **Thursday 9 September 2021**.

If you have misplaced your activation letter to access your ParentPay account or you have any queries about paying by ParentPay please contact the Finance office.
