Dear Year 13 Student

Year 13 Results Day – Tuesday 10 August

Further to the information sent from Mrs Wright last week, results day will now not be taking place in school face to face. We are very sorry that we are unable to share results day with you in person, however, we will still be available on this day, and further days to support you in any way we can.

This letter is mainly to inform you of the support available to you following your results day on Tuesday 10 August.

Our plan for results day is:

For any of you wanting to speak to us we will be available on our mobiles and MS Teams. In order to help you we will be following the timeline below:

- 8:30am-10:30am UCAS support from Beckie on: 07375925339

To enable Beckie to help everyone if she does not answer the phone it will be because she is on another call so please send her a text with your name and the best number to contact you on or whether you would prefer a chat on MS Teams.

- 10:30am onwards all other support either via mobile or MS Teams.

To enable us to help everyone we would like you to in the first instance text either 07375925339 (Beckie) your name and best number to contact you on or whether you would prefer a chat on MS Teams. We will acknowledge your text and give a rough estimate of when we will be in contact. We will then contact you as soon as we are available to help you.

If you require support after this day, please email Beckie or Miss Monelle who will get back to you as soon as possible. There is also further information in the attached document to help you with your next steps.

If you have not had a chance to have a look at the Year 13 Leavers page on the school website, make sure you have a look here: <https://plymstockschool.org.uk/year-13-leavers-2021/>

And finally, we wish you the best of luck in all your future endeavours and we look forward to hearing of your future successes. Have a wonderful summer holiday and stay safe.

Yours faithfully

Miss E Monelle
Director of Post 16

Mrs R Littler
Assistant Head of Sixth Form
