## Clubs and Activities

2022-23

September 2022

Dear Student

We have a varied selection of clubs and activities for you again this year. Try to get involved in at least one.

Clubs and activities can be:

- enjoyable
- helpful in developing your abilities and skills
- where you can make new friends
- an opportunity to develop communication and teamwork skills
- useful evidence of extra-curricular engagement which will make you more attractive to employers

Please read through the choices carefully. Check what they are as well as when they are, where they are and who they are for. Contact the teachers direct if you want any more information.

There is no need for any student to sign up in advance for the sessions. Just turn up. If a consent form is needed you will be given one for the next session.

**Clubs will say either BREAK 1 or BREAK 2, or after school. After-school clubs run from 15.15 – 16.15pm unless the club description says something different.**

Activity leaders will inform reception if their after school club or activity is cancelled.

If you have questions please contact either the **staff contact** or **Mrs Wilkins** [twilkins@plymstockschool.org.uk](mailto:twilkins@plymstockschool.org.uk)

Kind regards  
Mrs T Wilkins
