National Averages are shown in brackets for state funded schools from the DfE national dataset where available.

\*In 2020 and 2021, students did not sit external examinations and were awarded CAGs in 2020 (Centre Assessed Grades) and TAGs in 2021 (Teacher Assessed Grades). Progress 8 data was not available in 2021.

Following the COVID-19 pandemic, most examinations resumed in the academic year 2021/22.

Pupils included in the 2022 school performance data may have experienced varying levels of disruption to their schooling due to the pandemic.

We do not recommend making direct comparisons with data from previous years or between schools or colleges.
