

City College Plymouth

- City College Plymouth offers a huge range of courses covering more than 20 subject areas.
- This offering includes vocational courses, such as certificates and diplomas, and T Levels - the new A-Level equivalent qualification.
- City College is the city's biggest provider of Apprenticeships and works with hundreds of employers in Plymouth and beyond.
- The College supports thousands of adult learners in addition to its full-time, 16 to 18-year-old students, and has an extensive selection of part-time courses, including university-level courses such as HNCs, Foundation Degrees and degree top-up years.
- The College enjoys fantastic facilities and has excellent support services for health and wellbeing, and a vibrant Students' Union.

WE ARE THE **LEARNING DESTINATION OF CHOICE**

How to learn more

- The College holds recruitment events throughout the year, including open days for all ages, and adult drop-in events. Apprenticeship events are also held regularly, and Year 11s can test drive their future at half-term taster sessions.
- Those who cannot make a specific recruitment event are welcome to book a bespoke tour for themselves and their family.
- Course guides are available: click here for the Full-time Courses & Apprenticeships Guide for 2023/24 and the University-level Courses Guide for 2023/24.
