

Duchy College (Part of the Cornwall College Group)

Study courses (or apprenticeships) like:

- Animal/ Equine management/ Zoology/ Vet nursing
- Military and Protective Services Academy
- Agriculture

For **Post 16** but also for **Post 18** at University level!

 **Event Date**

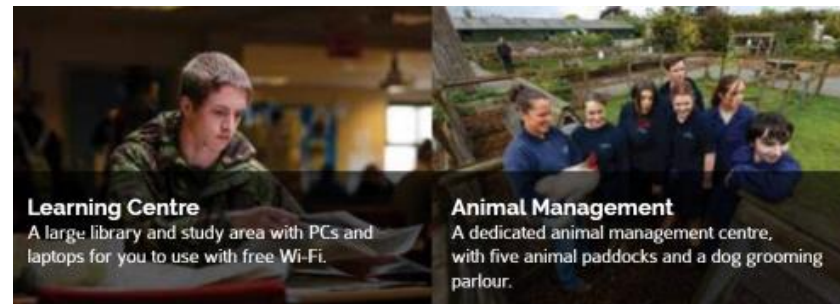

22nd March 2023, 5:00pm - 7:00pm

Duchy College's largest campus is found within the striking Cornish countryside at Stoke Climsland, near Launceston. The campus is ideally placed for studying agriculture, outdoor adventure, sport, equine and military and protective services. It houses an animal management centre, plus a wide range of facilities available to all students.

Transport
Our extensive transport network covers towns and villages across Devon and Cornwall. The campus is 15 minutes from the A30 and only a 25-minute drive from Plymouth. Our funding and transport team are on hand to advise you. We also have bike shelters on campus.

Duchy College will be coming to our monthly **Careers Clinic** at lunchtime on **Friday 3 March in the Library**. Please pop in to find more about them 😊

Learning Centre

A large library and study area with PCs and laptops for you to use with free Wi-Fi.

Animal Management

A dedicated animal management centre, with five animal paddocks and a dog grooming parlour.

Pastures Restaurant & Sam's Cafe

The campus restaurant has a hot food counter and snack shack open every day.

Accommodation

We offer halls of residence for learners who live too far away to commute every day.

Sports & Outdoors

A range of facilities; a 10m climbing tower, sports hall and grass pitches, plus a fully equipped gym and golf swing studio.

Future Farm

A brand new £3.1 million investment in Future Farm, a state-of-the-art dairy research training and development facility.

Equine

We have a large equine yard with livery facilities for students on any programme, plus indoor and outdoor arenas.

HEAR FROM OUR ALUMNI

LAURA DENNIS FUNDRAISING MANAGER, THE HUGS FOUNDATION

Laura initially studied a Diploma in Horse Management and Care before going on to achieve a distinction in Business Management for the Environment and Land-based Sector and progressing to do a degree in Animal Behaviour and Psychology – all with The Cornwall College Group.

Since then she has secured a job as the Fundraising Manager for The Hugs Foundation – a charity that provides rescue and rehabilitation for horses, ponies and other animals that have been mistreated, abandoned or abused as well as providing well-being support to children, young people, the elderly and veterans.

“The work experience side of my course really helped me find exactly what career I wanted.”
