Step 1

Read through the questions alongside the PLC's if you;

- can answer straight away shade the box green
- can recall a little of it shade the box orange/yellow
- can't remember doing it or missed it shade it red

Make a note of any reds here - focus on these first.

Step 2

Complete as many of the questions as you can - use your exercise book and textbook to help you. You can present this any way you want - flash cards, mind map, bullet points, poster etc.

For this to work you MUST be honest. If there is something you are unsure of use the resources or ask.
