

DEVON CRICKET

SRI LANKA U15 GIRLS TOUR

Player Sponsors Needed!

Your support plays a vital role in enabling Devon Cricket to provide a unique opportunity for young cricketers to develop.

Devon Under 15 Girls are embarking on a new and exciting tour to this beautiful island. The trip will be an amazing experience, on and off the field, for the squad to develop their cricket and to grow as individuals.

The challenges of the cricket in Sri Lanka, the culture and the climate are always tough. The team have a training and fixture schedule envied by many other UK touring squads. Our hope is that the experiences of this tour provide everyone with a valuable life experience and set of long-lasting memories. For some we hope it is a fantastic steppingstone into the professional game in the future. We need your help to support these cricketers to tour this wonderful country, and raising funds to help these players is seen as essential.
