There are **4 areas of need** set out in the SEND Code of Practice (2015) and we have suitable provision experience for each of them:

- **Communication and interaction** (e.g. Speech, Language and Communication Needs and Autistic Spectrum Disorder)
- **Cognition and learning** (e.g. Specific Learning Difficulties such as Dyslexia and Dyspraxia and Moderate Learning Difficulties such as Auditory Processing Difficulties)
- **Social, mental and emotional health** (e.g. Attention Deficit and Hyperactivity Disorder and Attachment Disorder)
- **Sensory and/or physical** (e.g. Visual Impairment, Hearing Impairment and wheelchair users)

Categories of Support for SEND need:

Students on the SEND Register are have either

- **Education, Health and Care Plan (EHCP) -**
- **SEND Support (K code)-**

Students have an Individual **Education Plan (IEP)** and parents/carers are asked to contribute to and approve the content of this document. These are reviewed with students/parents three times a year.

At Plymstock School we endeavour to support parents/carers so that they are able to:

- Feel fully supported should they raise a concern about their child
- Recognise and fulfil their responsibilities and play an active and valued role in their child's education
- Understand procedures and documentation
- Make their views known about how their child is educated
- Have access to information, advice and support during assessment and any related decision- making process about special educational provision
- Are provided with relevant resources so they reinforce learning in the home.

We also have a category **Pre-SENDS** - this is our "watch list". These students are not on the SEND Register.

Exams Access Arrangements

Our Exam Access Arrangements (i.e. extra time, word processing etc.) coordinator is Mr A Dott ADott@plymstockschool.org.uk
