

A photograph of two students in a laboratory setting. A female student with glasses and curly hair, wearing a white lab coat over a red and white striped shirt, is looking at a tablet. A male student with glasses, also in a white lab coat, is using a pipette to transfer liquid into a rack of test tubes. Both are wearing blue gloves. The background is slightly blurred, showing lab equipment and shelves.

**Are you a Year 12
student talented
in STEM subjects?**

**Do you want a real-life
research or development
project?**
